Petition dated 13.10.1931
from Mr. Govind Raja Chetty
S/o Mr. Subbaraya Chetty
Nelamangala.

States that the sum of Rs 2000/- promised by his father Mr. Subbaraya chetty for the Maternity Ward at Nelamangala was paid to the Taluk Amildar on 17.8.31 and prays for the completion of the work at an early date.

D

1) In his letter dated the 4th September 1931, the D.C. Bangalore reported to Govt that efforts were being made to induce Mr. Subbaraya chetty to make the necessary payment of the promised donation for the maternity ward at Nelamangala. This meant that Mr. S. chetty had not yet paid the donation. But in the petition under disposal his son has stated that the amount was paid on 7.8.31 i.e. one month prior to the D.C's report to the Govt.

2) In the R.O. dated 4.10.1931, the D.C has been requested to collect the donation from Mr. Subbaraya chetty. The petition may perhaps be forwarded to the D.C. Bangalore with a request to report whether the donation has been collected and if so when. For orders.

it was ordered that the donation of Rs 3,000 received from two donors should be utilized towards the expenditure on the in-patient ward, one of the wards therein being set apart whenever necessary for admitting labor cases.

27 It is now reported that the donors are not willing to utilize their donations in the manner ordered above. They want a separate maternity ward.

28 The S.S. while still doubting the necessity for a separate maternity ward, is of opinion that the donation may be accepted & a maternity ward built. The estimate for the ward has not yet been received by him from the P.W.D. It is not also known whether a new ward like that will entail any recurring expenditure to Govt. later on. This question may be taken up after the plan & estimate for the & a similar ward at Dharmapuram referred to by the S.S. are received.

Respected Sir,

I, the undersigned, Govinda Raja Chetty, Son of Subbaraya Setty, Nelamangala - beg to bring to your kind notice and consideration the follow - ing request.

When the Dewan Sahib visited this place during the month of April 1930, my father promised to pay a sum of Rs.2000/- which he subsequently paid to the Taluk Amildar on 17/8/31 towards the construction of a Maternity Ward and also promised to give a portion of his land where the veternery Hospital - is situated in my choultry. The Choultry is already given gratis for the Veternery dispensary and some area of the land adjoining this dispensary is also - promised for a practical Government Agricultural - Farm and for the construction of an Industrial School for which some other respectable gentlemen of this place have promised donations.

The donation of my father and other Gentlemen who promised their donations have already

~~placed~~

~~placed~~ paid them into the Treasury for the purpose they were intended.

Now I beg to request that I may kindly be permitted to construct the buildings as per plans approved by the Department, and I am prepared to give the required Bond with an undertaking to complete the work within the prescribed time so that my father may be satisfied by seeing the building completed during his life time as he is too old being 70 years.

SIR,

Subject:—

With reference to the correspondence ending with G.O.No. G.2891-4/Med.38-30-8 dated 7-10-1931, directing that there is no necessity for providing a maternity separately at Nelamangala but that the donations amounting to Rs.3000/- promised by Srimathi Suobamma and Mr. Subbarayachetty of Nelamangala, promised for the maternity, may be utilised for the construction of an inpatient ward already sanctioned, reserving one room for labour cases whenever necessary etc., and in continuation of this office letter No.C2-292/31-32 dated 7-11-1931, I have the honour to state that the Amildar, Nelamangala taluk reports that the donation of Rs.2000/ received from Mr. Subbarayachetty is in aid of the proposed maternity ward only, and that the two donors are insisting that their donations shall be utilised only for the construction of a maternity ward and not for the inpatient ward. Srimathi Suobamma has also submitted a petition to the Amildar, Nelamangala, to this effect, stating among other things that the donation was promised by her, in memory of her late husband and that she is not agreeable to utilise the donation for the inpatient ward which is nearing completion and the cost of which has to be borne by Government, District Board and the Municipality.

The Amildar, President reports that people would be reluctant to use a portion of the inpatient ward as maternity ward as the former would be used for all kinds of diseases, that as the labour cases cannot be taken to Bangalore without risk, it is better to

to satisfy the wishes of the donors and that until funds permit to have a regular maternity establishment, the local Sub Assistant Surgeon and the mid-wife may attend to labour cases. I think that a maternity ward may be constructed as requested by the donors.

The Government Order under advertance directs that the donations should be placed at the disposal of the Public Works Department towards the cost of the estimates for in-patient ward. Under the circumstances stated above, further instructions are solicited in the matter.

The petition received as an enclosure to your No.G.3398/Med. 38-330 dated 22-10-1931 is herewith returned as desired.

The General Secretary to the
Government of Mysore, Bangalore.

Sir,

With reference to the Government Order No. G.2891-4/Med.38-30-8 dated the 7th October 1931, sanctioning the construction of an inpatient ward at Nelamangala and the utilisation of the promised donations of Rs. 3,000/- towards this work, I have the honor to state that on enquiries made from the Deputy Commissioner, I am informed that the donors insist that their donation shall be utilised only for the construction of a Maternity Ward and no other purpose. A further reference to the Deputy Commissioner whether the donation could be used for the endowment of beds in any hospital in the State, as proposed in my letter No. G.C.235 dated 15-3-32 to Government, has also fetched the same negative reply. This persistence of the donors for a Maternity Ward, if acquiesced in, appears to me to lead in time to a demand for the services of a Lady Sub Assistant Surgeon for the place. My opinion on this subject, expressed in my letter No. G.C.351-1 dated 18-6-31 remains unchanged.

Very recently, when I visited Nelamangala, I saw the completed inpatient wards, which consist of two big rooms to accommodate two beds each with bath rooms attached. One is being used as the male and the other as the female ward. I have already instructed the Sub Assistant Surgeon to admit any maternity cases which resort to the Hospital, in the female Ward, which is generally not always made use of. As it is, there is provision for 4 beds which is a great deal more than the requirements of this small place and the

the addition of a Maternity Ward will be nothing short of a superfluity.

Under these circumstances, instead of accepting their donation and conceding the way for additional expenditure in the future, I am in favour of declining it with thanks.

I solicit early orders of Government.

2. Sir, you might be aware that during your previous visit to this place in the year 1930, some charitably disposed gentlemen of this place donated for the construction of a maternity ward for the use of this Taluk. It is the prayer and the wish of the gentlemen to see the work complete. Unfortunately the senior surgeon seems to be of opinion that such an institution would not be of use here for want of adequate staff and advises that such an institution would be of better use elsewhere. The donors wish to place before you that they be permitted to see the building erected first in this place and the staff provided as and when funds permit. We therefore pray that you will be pleased

to grant this prayer as we fear the
donors may withdraw their help if
the building is not constructed here

GENERAL SECRETARIAT 31 OCT. No.

Sir,

In continuation of my letter No.G.C. 351-dated the 5th Instant, about the ~~in~~ utilisation of the donation of a sum of Rs.3,000/- by Mr. Subbaraya Shetty and another of Nelamangala, I have the honour enclose herewith, for the information of Government, a copy of letter No.C. 2. 292 of 31-32, dated the 11th October 1932, received from the Deputy Commissioner, Bangalore, intimating that the donors are not agreeable to utilise the amount for any other purpose than the construction of a Maternity ward.

Although the opinion expressed in my letter No.G.C. 351-5 dated the 8th June 1932 still remains unchanged, I will have no objection, if the Government so desire, that this donation may be accepted and that the same type of a ward, as is proposed to be constructed at Thyamagondalu may also be constructed in this place. I am still awaiting the plan and estimate for the latter building from the Executive Engineer, Bangalore, and shall submit the same to Government on receipt.

I have the honour to be,

Sir,

Your most obedient servant,

S. Subba Rao

Senior Surgeon.

Letter No. C. 2 -292 of 31-32, dated 26th September/11th October 1932 from the Deputy Commissioner, Bangalore, to the Senior Surgeon in Mysore.

With reference to your letter No. G.C. 351-7,dated the 29th July 1932, requesting to be informed if the donors Mr. Subbaraya setty ~~xxxxxiii~~ and Sri Subbamma are willing to utilise the amount of their donation of Rs.3,000/- for improving the Local Fund Dispensary at Nelamangala, instead of for the construction of a Maternity ward at the place, I have the honour to state that it is reported by the Amildar that the donors are not agreeable for utilising the amount for any other purpose, and that they were informed by the Direcotr of Health during his visit to Nelamangala on 18th August 1932, that their request for the construction ofa Maternity Ward at the place would be considered, if they can contribute a further sum of Rs.1,000 for the purpose.

It is further reported by the Municipal President that he is prevailing on the donors to come forward with an additional donation of Rs.1,000/-
